To

(Madam, Sir), the Director

Subject : Internship request

(Madam, Sir),

I hereby respectfully submit to you a grievance for the granting of an internship in IT development within your structure, following your announcement relating to looking for an intern for a paid internship.

Currently studying Software Engineering at the Polytechnic School of the University of Lome, I am looking for professional experience to strengthen my technical and human skills.

It was therefore quite natural that I turned to your company, which corresponds perfectly to my future professional aspirations. I will be honored to be able to improve my knowledge by joining your team as an intern.

Rigorous and versatile, I will be delighted to be able to bring my skills acquired during my studies as well as my deep enthusiasm to work alongside you.

Thank you very much for your attention to this internship request. I am at your disposal for an interview.

Pending your response, please accept, Madam, Sir, the expression of my deepest respect.

Your devoted,

SOSSOU Didi Orlog
